

Technical Data Sheet

Anti-Human GP IIb/IIIa (Abciximab Biosimilar)

Catalog Number: 500101, 500102, 500103

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Abciximab

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Abciximab Biosimilar, Glycoprotein IIb/IIIa Receptor Monoclonal Antibody

Isotype: Hman IgG1 Fab

Clonality: Recombinant

Immunogen: Human Glycoprotein IIb/IIIa Receptor

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months
