

Technical Data Sheet

TNFR-2/Fc Fusion Protein (Etanercept Biosimilar)

Catalog Number: 502701, 502702, 502703

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Etanercept

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Etanercept Biosimilar

Isotype: Human IgG1

Clonality: Recombinant

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months

Background Information
