

Technical Data Sheet

Anti-Human TNF alpha (Infliximab Biosimilar)

Catalog Number: 503301, 503302, 503303

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Infliximab

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Infliximab Biosimilar, TNF alpha Monoclonal Antibody

Isotype: Human IgG1

Clonality: Recombinant

Immunogen: Recombinant human TNF protein

Clone Number: cA2

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months
