

Technical Data Sheet

Anti-Human CD 38 (Isatuximab Biosimilar)

Catalog Number: 503501, 503502, 503503

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Isatuximab

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Isatuximab Biosimilar, CD38 Monoclonal Antibody

Isotype: Human IgG1

Clonality: Recombinant

Immunogen: Human CD38

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months
