

Technical Data Sheet

Anti-Human EGFR (Matuzumab Biosimilar)

Catalog Number: 503601, 503602, 503603

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Matuzumab

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Matuzumab Biosimilar, EGFR Monoclonal Antibody

Isotype: Human IgG1

Clonality: Recombinant

Immunogen: Human EGFR

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months
