

Technical Data Sheet

Anti-Human CD3 (Muromonab Biosimilar)

Catalog Number: 503901, 503902, 503903

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Muromonab

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Muromonab Biosimilar, CD3 Monoclonal Antibody

Isotype: Human IgG2

Clonality: Recombinant

Immunogen: Human CD3

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months
