

Technical Data Sheet

Anti-Human IL-17A (Secukinumab Biosimilar)

Catalog Number: 505601, 505602, 505603

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Secukinumab

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Secukinumab Biosimilar, Human IL17A Monoclonal Antibody

Isotype: Human IgG1

Clonality: Recombinant

Immunogen: Human IL17A

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months
