

Technical Data Sheet

Human GLP-1 Receptor Agonist (Semaglutide Biosimilar)

Catalog Number: 505701, 505702, 505703

Size: 1 mg, 5 mg, 20 mg

Regulatory Status: RUO

Product Details

Clone: Semaglutide

Application: Flow cytometry, animal model study

Format: Liquid

Product Description: Semaglutide Biosimilar

Isotype: NA

Clonality: Recombinant

Species specificity: Human

Purity: >95% by reducing SDS-PAGE

Grade: In vivo

Storage Conditions: 4oC

Maximal Shelf Life: 12 months

Background Information
